

Hello, Yumion®!

Color his tops green. (These are the sprouts that come out of the ground when Vidalia® onions are growing beneath the soil.)

Color his body a golden, yummy yellow! Leave his funny, googlie eyes white.

Yumion® wears:

- a red shirt
- blue overalls
- white gloves
- black boots

Make sure you give him funny, colorful striped socks!

(He loves his favorite red and white striped socks!)
